VISION	MISSION	MISSION STATEMENT
A CFC Household in all Catholic Dioceses in the United States	Bring God's light to the world; one Household at a time	Unleashing the Power of the Holy Spirit in the Household through Effective, Efficient and Empowered Evangelization

## OVERVIEW

### The Inspiration: Operation Overlord

Operation Overlord was the codename for the Battle of Normandy, the Allied operation that launched the successful invasion of German-occupied Western Europe during World War II. The operation was launched on June 6, 1944 with the Normandy landings (commonly known as D-Day). A 1,200-plane airborne assault preceded an amphibious assault involving more than 5,000 vessels. Nearly 160,000 troops crossed the English Channel on June 6, and more than 2 million Allied troops were in France by the end of August. This successful assault was a turning point in the victory of the Allied forces over the mighty German army that ended World War II.

### The Battle Plan: Operation ForOurLord (Op4OL)

Seventy-five years since D-day, CFC USA is launching Operation ForOurLord (Op4OL). Its main thrust is for all of CFC USA, its servant-leaders, members and family ministries to stage an all-out assault against the enemy with its objectives – to fulfill the mission and vision of CFC by being Families in the Holy Spirit Renewing the Face of the Earth. This includes the desire to be a Saint, to love God, save souls and gain a significant foothold and victory over the enemy.

On March 2, 2019, CFC USA servant leadership (National Council members, Regional Heads and select Area Heads) gathered in the “War Room” in Texas and were inspired by the Holy Spirit to go all out and agreed on the following CFC USA battle plan objectives:

- 100% increase in membership in the current year (CY) from the previous year (PY)
- 100% increase in ANCOP Child Sponsors in the CY from the PY
- 100% increase in full-time Mission Volunteers in the CY from the PY
- 20% increase in tithes and first fruit offerings in the CY from the PY
- Have CFC presence in all 50 States in the USA and beyond

**Op4OL official Phase 1 start date was Easter Sunday, April 21, 2019 and will end on Christmas Day on December 25, 2019, two of the most important dates in the life of Christ.**

In the same breadth that the success of Operation Overlord in 1944 was achieved through the full support and commitment of 14 nations and its respective armies and citizens, the success of OperationForOurLord depends on the FULL support and commitment of ALL its members of ALL ministries.... and our FULL dependence on our most potent weapons – the Grace of God, the Power of the Holy Spirit and the intercession of our Blessed Mother.

Each household (ALL ministries) is humbly requested to conduct a 4H (House Hold Holy Hour) meeting, that is for the whole household to do Eucharistic Adoration inside a Blessed Sacrament Chapel begging for the grace to be enlightened as to how the household can contribute to the success of Op4OL and accordingly, by the guidance of the Holy Spirit, prepare and submit its plans to its Area Leader, through its unit head, chapter head, cluster head and sector head, as the case may be, who, in turn, will then pray, discern and develop an “Area Battle Plan.”

The prayerfully discerned Op4OL Battle Plan from the CFC USA National Council comprises 5 Sub-missions as follows:

- ① **Divide & Conquer 153 (DC153)**
- ② **Go GOLD and GLOBAL for God’s Greater Glory (G6)**
- ③ **ANCOP One Light One Life**
- ④ **Once a CFC, Always a CFC**
- ⑤ **Holy Hour 24/7**

The main mission DC 153 and G6 is to unleash the Power of the HS in the HH through Effective, Efficient and Empowered Evangelization.

## ① Divide & Conquer 153 (DC153)

Each DC153 household (HH) is strongly encouraged to conduct a relatively informal CLP at a member's home or small room in the church, with the goal of dedicating new members greater than or equal to the number of the service team members (NOTE: "Mega" CLPs are presently done by the Unit with the involvement of 3 or more HHs and usually dedicating a small number of graduates, and the "mega" ends up to be the service team). Appropriate training sessions (CLP, Speakers etc.) will be arranged to be given by the Area Leaders (Online training will be developed and Zoom training sessions may be given). The HH Head will lead the CLP, and HH members will facilitate discussions (also the HH Leaders after the CLP), possibly do some talks, although the "major" talks will be assigned to HH leaders and up (Online videos of talks given by various speakers will be produced and can be used should there be a shortage of speakers). Attached are detailed Implementing Guidelines for consistent operations, and a Timetable. These will foster consistency and timeliness in the conduct of the CLPs. HHs will start at the same time, starting with HH enlistments (NOTE: we will not impose, we will only inspire as God's gift of Free Will shall be respected), followed by a Boot Camp (training and empowerment), then D-day (actual CLP) capped with a GRAND Dedication (by Unit or Chapter) for all HHs who have enlisted.

### Why 153?

#### In John 21:5-11

Jesus said to them, "Children, have you caught anything to eat?" They answered him, "No."

So he said to them, "Cast the net over the right side of the boat and you will find something." So, they cast it and were not able to pull it in because of the number of fish. Jesus said to them, "Bring some of the fish you just caught." So Simon Peter went over and dragged the net ashore full of one hundred fifty-three large fish.

This initiative is not about numbers but about souls. The 100% goal is for the whole CFC USA (100%) to say YES and to give 100% faithfulness and effort that God deserves. As long as we give our all, then the harvest will be up to God, and in John 21, Jesus provided 153 large fish resulting from the faithfulness and obedience of the disciples.

## ② Go GOLD and GLOBAL for God's Greater Glory (G6) CFC in 50 States and beyond USA

To lead the all-out assault and to set a good example for the members will be the HHs of the servant leaders, (Unit heads and above). The G6 GOLD HHs will enlist, volunteer or be assigned to do a G6 GOLD CLP at one of the nine remaining States where there is no CFC presence yet (Maine, Vermont, Wyoming, Montana, North Dakota, Nebraska, Kansas, Arkansas, Kentucky). This is with the leadership, guidance and involvement of the RH of that State. The G6 GOLD HH will assist in looking for contacts in the assigned State - priests, potential participants, Organization heads (determine if there are members of the Filipino Federation of Priests in the assigned State, google Filipino Catholic organizations in the State etc.), and conduct a G6 GOLD CLP (maybe a weekend CLP). Although all G6 GOLD HH members will be involved in the CLP planning, the number of the actual service team will be at most equal to the expected number of CLP graduates.

In addition, we can also have these G6 HHs volunteer or be assigned to be part of the G6 GLOBAL CLP Service Team in the global mission areas handled by CFC USA (The Caribbean, Mexico, Central America, N South America and S South America). This is with the leadership, guidance and involvement of the designated Country Coordinator. The G6 GLOBAL HH will assist in looking for contacts in the assigned country- priests, potential participants, Organization heads (contact Religious Orders such as Jesuits, SVD, OMV, etc. , google Filipino Catholic organizations in the country, etc.), and conduct a G6 GLOBAL CLP (maybe a weekend CLP). Although all G6 GLOBAL HH members will be involved in the CLP planning, the number of the actual service team will be at most equal to the expected number of CLP graduates.

#### ⑤ ANCOP One Light One Life

As a sign of gratitude to the Lord for the work and harvest, each HH will be encouraged to participate in the ANCOP One Light One Life mission, that is for the HH to sponsor at least one CSP student during Dedication Day.

#### ④ Once a CFC, Always a CFC

To make the celebration GRAND-er, we will encourage each HH to participate in the Once a CFC, Always a CFC mission, that is to invite inactive CFC USA members to join the festivities and welcome them back to CFC.

### ⑤ Holy Hour 24/7 (and Pray HARDER)

Relying mainly on the grace of God, we will also launch the blessed practice of Holy Hour and Eucharistic Adoration at CFC USA through Holy Hour 24/7. We will encourage CFC USA members to “sign up” to commit to do a Holy Hour (preferably Eucharistic Adoration at a Blessed Sacrament Chapel) to pray specifically for the success of Op4OL, in addition to any prayer requests from the Community that will be gathered and accumulated and prayed for by the Prayer Warriors. We will have an online signup sheet for members to sign up for a specific time slot for one hour (at least 3 members per time slot).

In addition to Holy Hour 24/7, we continue to strongly encourage ALL CFC USA members of ALL ministries to not just pray, but to pray HARDER:

- ① Holy Hour (Holy Time with God)
- ② Adoration (Eucharistic)
- ③ Reconciliation (At least monthly or immediately if with mortal sin)
- ④ Divine Mercy (Chaplet and 3'Oclock Prayer)
- ⑤ Eucharist (Daily Mass)
- ⑥ Rosary (Daily and preferably with the whole family)

The key to victory at war is for the enemy to surrender. For this war that is spiritual in nature, the key is for us to surrender, that is to surrender our minds, our hearts and our wills to the Holy Will of God and give our unconditional FIAT to God who calls us to be steadfast in faith and relentless in action, despite all odds, challenges, trials and difficulties we will for sure encounter. God is telling us: "Be Not Afraid" for He is with us and God is indeed enough!

Finally, let us accept the challenge and go to Battle, not begrudgingly, but with a lot of JOY and gratefulness in our hearts knowing fully well that God himself, our King and General, has called us for this Battle and will equip us with the Spiritual Weapons we would need to protect us and our loved ones, and shower us with blessings upon blessings as we fight for Him. May we all be inspired to accept the OperationForOurLord challenge with JOY and make these 249 days (Easter to Christmas) all about accomplishing our Father's business.

And he said to them, "Why were you looking for me?  
Did you not know that I must  
be about my Father's business?"

— LUKE 2:49

In Christ through Mary,

## Frequently Asked Questions (FAQs)

### 1. How is OP4OL different from DC153 and G6?

OP4OL is the acronym for the new CFC –USA Council initiative ‘OperationForOurLord’ where all CFC-USA households (ALL ministries) are requested to conduct a 4H (House Hold Holy Hour), that is for the whole household to do Eucharistic Adoration inside a Blessed Sacrament Chapel begging for the grace to be enlightened as to how the household can contribute to the success of Op4OL and accordingly, by the guidance of the Holy Spirit, prepare and submit its plans to its Area Leader, through its unit head, chapter head, cluster head and sector head, as the case may be, who, in turn, will then pray, discern and develop an “Area Battle Plan.”

DC153 is the acronym for the Divide and Conquer 153 initiative while G6 stands for Go GOLD and GLOBAL for God’s Greater Glory. These are the prayerfully discerned Battle Plans from the CFC USA National Council in response to Op4OL inspiring and encouraging households to commit to conduct a DC153 HH CLP in a home setting where the atmosphere is informal and more relaxed, and for G6 GOLD and GLOBAL HHs to go on mission and conduct G6 GOLD CLPs (any of the remaining States with no CFC presence) or G6 GLOBAL CLPs (outside the USA). The goals are to unleash the power of the Holy Spirit in the HH thorough effective, efficient and empowering Evangelization and to dedicate new CFC members greater than or equal to the number of the CLP service team members.

### 2. Is this compulsory for all CFC Households?

While all 5 sub-missions are not compulsory, all areas are highly encouraged to actively participate and engage in the initiatives that are in line with the evangelization mission of CFC USA.

### 3. What about Family Ministries (FM) and Parejas Para Cristo (PPC)?

All Households in the adult ministries of FM and PPC are likewise encouraged to participate in these initiatives and commit to conduct its own HH CLP.

### 4. If our HH is already serving in an existing CLP, should we still participate in DC153?

All HHs serving in ongoing CLPs will continue to serve until completion of the program. However, if multiple HHs are serving in one CLP and the number of participants is minimal, the number of CLP Service Team members may be reduced to allow the other Households to participate in DC153. (For example, if the CLP Service Team is composed of 3 households and there are only 10 or less participants, the service team may be reduced to one household of 10 members and allow the other 2 households to participate in DC153).

### **5. What do we do if we are requested by our Pastor to conduct a CLP?**

If a Pastor requests a CLP in his parish, the HH member/HH leader requested by the said Pastor will inform his Household Head and their HH will have the privilege to serve the CLP in that Parish. Consistent with DC153, the number of participants or expected dedicated new members shall be greater than or equal to the CLP Service Team members.

### **6. Will the HH CLP take the place of a Parish CLP?**

HH CLP should not replace the Parish CLP. The Parish CLP is not the same as a HH CLP. If there is an ongoing Parish CLP, it must first be completed before conducting a HH CLP.

### **7. What if we have calendared a CLP in our local parish for the rest of 2019, do we cancel it in favor of a HH CLP?**

No, all calendared Parish CLPs will continue. Consistent with DC153, the number of participants or expected dedicated new members shall be greater than or equal to the CLP Service Team members.

### **8. If the Household is only able to invite less than the total number of HH members (example: 2 couples) will they still conduct a HH CLP?**

The CLP Team Head, upon consultation with the Unit Head, has the option to transfer the 2 couple participants to another HH CLP within the Unit. In the case where there is no other HH CLP in place, the HH shall proceed to conduct the HH CLP.

### **9. If only one couple graduates from the HH CLP, to what Household will the new graduates be integrated?**

The Chapter Head, in consultation with the Unit Head concerned, shall determine to which household the new couple graduate will be assigned.

### **10. If our HH CLP schedule is in conflict with a scheduled CFC activity (Example: Assembly, Teaching, ANCOP, Anniversary etc.) which takes priority? Do we cancel and re-schedule our HH CLP?**

The HH CLP should be given preference and priority. Before scheduling a HH CLP; all CFC activities must be taken into consideration. Conflict in schedules can be minimized or totally avoided if proper planning and coordination are done.

**11. With the 4 CLP sessions taking up all weeks in a month, are we still required to attend assemblies, teachings and Household Meetings?**

According to our existing policy, as embodied in the Household Heads Manual and another CFC issuance entitled CFC meetings, exceptions to the weekly household meetings are as follows:

- a. During the week when the monthly prayer meeting is held.
- b. When a whole household serves in a CLP. In this case, the household will need to meet only two weeks out of four in a month, in addition to its weekly service in the CLP.
- c. If the CLP is on the same day as the monthly prayer meeting, the household meets twice in a regular household meeting.
- d. If the CLP is not on the same day as the monthly prayer meeting, the household meets once in a regular household meeting and attends the prayer meeting.
- e. During special times such as Holy Week and Christmas break." (Source: The Household Heads Manual)
- f. "Teaching nights can be in lieu of regular household meetings, assuming the whole household is on the same teaching track." (Source: "CFC Meetings")

**12. Will the regular CLP Budget allocated be the same for the HH CLP?**

Yes, insofar as it is applicable.

**13. In a regular CLP, the expenses incurred for every module is assigned to each Unit of the Chapter. In the case of a HH CLP is it going to be the same? For any additional expense outside of the allocated budget, will it be shouldered by the Household Service Team alone?**

The allocated budget is assigned to each unit of the chapter but earmarked for the HH CLP. The Chapter, Cluster, Sector or Area shall shoulder the valid expense outside the allocated budget.

**14. Can other households invite their family/friends who live near the planned venue?**

**If so, should CLP announcements be area wide?**

Yes. Invitations can be done area wide. Households can invite their family members or friends to the nearest CLP.

**15. If there are no houses big enough in the unit, will a church hall/classroom be an option?**

Yes, while the holding of the CLP in the houses of members is encouraged, the holding of it in a church hall or classrooms is allowed especially in cases where there are no houses of members big enough to accommodate the service team and participants.

	December	EVALUATION OF Op4OL		CFC USA National Council

Where the whole man is involved  
there is no work. Work begins  
with the division of labor.

Marshall McLuhan  
Canadian Philosopher 1911-1980

Make the Great Commission,  
our Great Completion.  
God only needs  
your YES!

The key to the success of  
the Op4OL 5 sub-missions  
is submission to the  
Perfect Will of God.

Go therefore and make  
disciples of all nations.  
MATTHEW 28:19
