CFC THEME 2022 : CHRIST HEALS

Anchor verse: 2 Chronicles 7:14

"If my people, who are called by My name, will humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

NOTES FROM THE ND

Greetings, dear CFC-USA brethren! It is a time of great grace for our community as we start with this first ever issue of our monthly newsletter, heart of the mission, which will highlight CFC-USA events and initiatives. We all have our local area community life, but we are also part of a bigger community of CFC. We have a common monthly rhythm, and have events and activities that we participate in on a national scale. We hope that this monthly snapshot will inform, encourage, and unite us in many ways, and inspire us to continue to serve Him to the fullest.

This month we highlight the Evangelization Rally that will be happening in all areas, as we offer our first fruits to the Lord. We look forward to celebrating our marriages with the feast of St. Valentine and National Marriage Week. A great opportunity to prepare for this would be to join the CFC Intimacy Weekend, a virtual weekend retreat offered by the Gift of Life Directorate.

As always, we count on the prayers of our Mother Mary, all the angels and saints, and the intercession of St. Joseph as we venture with this issue. We remain united in prayer and as one community, we rejoice in all that our good Lord does to bring us closer to Him.

Yours in Christ,
Romy (Emer) Dacayanan

RALLY UP FOR GOD

The **Evangelization Rally** is the first assembly held at the beginning of the year. It aims to lead God's people to understand CFC's directions, goals and the community's response to the challenge of evangelization. It also hopes to inspire the congregation and excite the leaders and members to be bold in sharing the gospel to bring more people to the church and the community of couples for Christ. It introduces and expounds on the CFC theme of the year, which is **CHRIST HEALS** and the anchor verse is 2 Chronicles 7: 14 (as above).

The Offering of the First Fruits follows, and leaders and members are exhorted to offer the very best of themselves to the Lord. Collections from the First Fruits Offering are channeled to support the National and International Missions efforts of CFC-USA. We hope that everyone will attend and participate in your area's Evangelization Rally and First Fruits Offering! Let us offer our best to the Lord!

The liturgical calendar puts the universal Church on the same page, so that we can truly celebrate and worship God in unison as the one Body of Christ. Let us pay attention to the Church's seasons and feasts, celebrating or fasting accordingly, which can help us simplify and put Christ at the center of our lives.
